

# DRESS CODE HANDOUT

Welcome new and returning families to our 18<sup>th</sup> year at Mellado Dance Elite! New this year, families can now purchase their dancewear and shoes on the Mellado Dance Elite's Online Studio Store! Through the website, families can choose their shoes, tights, bodysuits, pants, and tops all online at a discount rate. All purchases will be paid online only through the store, and will be sent directly to your home address. Sample sizes will be provided here at the studio, where our staff can help you pick out the right size shoe and dance attire.

Having a dress code is an essential part of dance classes here at Mellado Dance Elite. Each discipline has a specific shoe, and attire that must be worn during each dance class. Ordering off the website ensures that you purchase the correct shoe and/or bodysuit that is mandatory for each discipline. A dress code allows our instructors to correct the development of technique, and posture during class to further their progress as a dancer. Proper attire allows the dancers to feel like they are a part of a team and feel comfortable while dancing.

Please note that all hair must be pulled back off the dancer's face. A ballet bun is required for all ballet classes; for Preschool, and all other dance styles, a slicked back ponytail is acceptable.

**To purchase the required shoes, and attire please visit our store online using this link:**

**Don't Forget To Use The Discount Code JBLAUNCH2017 (All CAPS)**
